

PRESS RELEASE

A NEW EDWARDIAN HOME FOR CHRISTMAS!

There are only 6 newly converted houses remaining for sale at Thomas Homes' prestigious development of the old Edwardian buildings at Limes Park. Despite the reported gloom in the property market, all the conversions have sold extremely well and new residents are delighted with their spacious, stylish new homes. The available properties are in Huxley House which is the last of the 8 blocks to have been converted, and will be completed in time to move in for Christmas.

Only one 4-bed house remains available for sale and five 3-bed homes so don't miss this rare opportunity to move into this sought after conservation area in north Basingstoke. All properties have lovely high ceilings, graceful bay sash windows and plenty of internal space. The homes have been thoughtfully designed and finished to a high standard making each house individual and a desirable mix of old and new. All have a small private garden, and allocated parking spaces.

The four bedroom house is amazing value at only £249,950 with 1,247 sq ft of living space and a stylish family sized kitchen. The living/dining area is over 21' long and all four bedrooms are well proportioned with the master bedroom benefiting from an ensuite shower room. There is also an additional family bathroom and airing cupboard on the first floor.

The three bedroomed houses are also very good value ranging from £209,995 to £229,995, the largest offering 1,118 sq ft of light airy living, providing spacious living/dining areas and good sized kitchens. Upstairs are two large double rooms and a generous single (or small double), airing cupboard and family bathroom. The master bedroom has an ensuite shower room.

If you want a new energy efficient home for Christmas, talk to Thomas Homes at their sales office at Limes Park (0845 60 54637) and they can explain the various packages currently on offer, such as EasyStart or Part Exchange. More information is available from www.thomashomes.co.uk or from sales agents Connells on 01256 464566.
