## **PRESS RELEASE**

### **Thomas Homes showers purchasers with April offers at Heritage Plaza**

Thomas Homes is running a series of fantastic April offers this spring at Heritage Plaza, in the heart of Swindon's heritage district, on its fabulous range of one and two bedroom apartments.

Not only is the developer helping purchasers get on the housing ladder with its EasyStart shared equity scheme, which enables buyers to buy a brand new apartment with just a 5% (£5,450) deposit, but its EasyMove initiative will enable potential purchasers to make an EasyMove reservation on their chosen apartment with their current property being marketed by Thomas Homes through a local estate agent and the company paying all estate agent and advertising fees.

Other great offers which potential purchasers can take advantage of up until the 30 April include a scheme that pays all mortgage and legal fees, a free white goods and flooring package, a fully furnished package and an initiative which guarantees two years' free income for investors.

"With challenging market conditions, we have a range of offers that will meet the needs of purchasers, from first time buyers and people with houses to sell to purchasers who want to take the hassle out of buying and moving with white goods and flooring and fully furnished packages," comments James Thomas, finance director at Thomas Homes. "But don't miss out, as the spring offers only run until the end of April!"

Heritage Plaza is on the site of the former Great Western Railway works, next to the Designer Outlet Centre and just five minutes walk from the town centre and close to the train station. Priam House, Heritage Plaza consists of 34 high specification one and two bedroom apartments, priced from £109,000, arranged over three floors.
