

PRESS RELEASE

FIRST COMPLETIONS AT LIMES PARK FOR THOMAS HOMES

Thomas Homes have just celebrated their first completions of sale at their prestigious development at Limes Park, just outside Basingstoke. One happy purchaser was sold on the property because of the community feel of the development, which is within a conservation area, and the large green open spaces, both within the site and in the beautiful surrounding countryside. Yet, Limes Park is well positioned to take advantage of the commuter links and all the leisure facilities of Basingstoke.

This innovative and individual development has proved very popular, with all 15 homes in the recently completed Gainsborough House already all sold. Thomas Homes has recently released 15 homes within Edison House for sale off-plan. The show home is now open and units are expected to go quickly. Prices range from £155,000 for a 1-bed apartment to under £290,000 for a four-bed townhouse. Completion of Edison House is due in summer of 2008.

The redevelopment of Edwardian buildings has been done sensitively and to a high quality specification. The houses and apartments boast high ceilings and big bay windows, adding character to elegant homes. Thomas Homes is developing eight Edwardian hospital buildings into a range of properties from 1-bed apartments to 4-bed houses, all with the high specifications and thermal efficiency of a new-build property.
