

PRESS RELEASE

Open Weekend at Mortimer Chase

Construction at Mortimer Chase is now complete and for your opportunity to visit this stunning development, the Show Home and Sales Office is open for visitors on Saturday 7th and Sunday 8th June, 10am to 5pm., Thomas Homes have built 10 traditional 3 bed family homes in a secluded cul de sac within the popular village of Mortimer, convenient for Reading, Newbury and Basingstoke. Over half the homes have already been reserved, so don't miss out on this great opportunity to acquire a perfect new home! Prices for these unique houses start at £299,950 and part exchange arrangements can be negotiated to make moving home as easy as possible.

Thomas Homes are known for their careful design and quality finish and these houses are no exception. Built to high energy efficient standards, this is the first scheme Thomas Homes have built under the new Building Regulations, with stunning results. Specifications include double ovens and ceramic hobs, integrated dishwasher and fridge-freezer, wiring for a burglar alarm and an outside tap: items not normally included in properties in this price range. Many houses have a large, secure garage, whilst others have designated parking for two cars.

Mortimer is a charming Berkshire village surrounded by farm and woodland, with plenty of local walks and cycleways. The village itself boasts an excellent Junior School within easy walking distance of Mortimer Chase, whose achievements and standards have been judged as 'outstanding', and an infant school, reported by Ofsted as well above average. Village facilities include a doctor's surgery, church, Post Office and a variety of local shops.

Transport links from Mortimer are excellent as it sits between the M4 and M3, and is accessible to the M40. The railway station, within walking distance of Mortimer Chase, has a regular service to Reading which only takes 11 minutes. Connections from Reading are numerous making commuting a real possibility from this quiet village location.

Mortimer Chase is built on the site of a former Working Men's Club, previously part of the Englefield Estate. Thomas Homes is well known in the region for developing brown field sites sympathetically to blend in with surroundings and the countryside. They are responsible for the conversion of nearby Mortimer Hall, which became elegant flats and 3 and 4 bed houses, all of which sold very quickly.

Mortimer Chase is an opportunity not to be missed, so a visit this weekend to the beautifully appointed show home is well worth the time.
