

## **PRESS RELEASE**

### **THE CRESCENT, LIMES PARK, BASINGSTOKE**

Thomas Homes are unveiling the exciting new Crescent at Limes Park, Basingstoke as part of their on-going development of this old hospital site. The Crescent consists of ten 2-bed and nine 3-bed new homes, which are being released for sale this weekend, 14<sup>th</sup> and 15<sup>th</sup> June. These elegant, yet affordable, new build town houses complement the imposing Edwardian buildings close by which have been converted into houses and apartments. Sales of these converted properties has exceeded expectation, which is why Thomas Homes are releasing for sale off-plan this next stage of the development in advance of their anticipated completion at the end of the year.

The Crescent West will be accompanied by a mirror image, namely Crescent East, in due course and all these homes benefit from the general ambience of Limes Park, open spaces, restored pavilions, mature trees and historic buildings. The Crescent is close to the imposing Water Tower which is a landmark from miles around. Limes Park is within a Conservation Area and the new village will soon have its own doctors' surgery and convenience store, with the excellent amenities of Basingstoke town centre only 2 miles away.

All properties in The Crescent have private secluded gardens and a designated parking space and visitor parking. The spacious larger 3 bed homes have their own integral garage and are on 3 floors, with garage, study (or fourth bedroom) and a cloakroom on the ground floor, dining, sitting rooms and kitchen on the first floor and 3 bedrooms on the top floor with an en suite shower room off the master bedroom, plus a family bathroom. The two bed properties have generous living/dining rooms and kitchen on the ground floor with the master bedroom, bathroom and second bedroom on the first floor. All the properties are finished to a high standard and are very eco-friendly. Prices for these unique new homes start at £189,950.

Come along this weekend to talk to Thomas Homes staff in the Sales Office and see what living at Limes Park is all about.
