PRESS RELEASE

Top Designer Show Home launches at The Water Tower

Thomas Homes has launched a stunning designer show home at The Water Tower on Limes Park in Basingstoke to showcase its spectacular apartments in the historic landmark building.

Renowned for transforming existing unique buildings like The Water Tower into exceptional new homes, Thomas Homes has utilised top interior designer, Killer5 Interior Design Studio, to transform the show apartment into a dream home.

Tom Bateson, regional new homes director at Connells, comments: "The stunning apartments in The Water Tower are the last remaining conversion properties for sale on Limes Park. The new show home at The Water Tower showcases modern and contemporary living and demonstrates how the apartments can be transformed. So don't miss out. Book a viewing today!"

Formerly the water tower of Park Prewett Hospital, the apartments, which are packed full of character, benefit from a private lift, entry phone system and truly breathtaking panoramic views of the rolling Hampshire countryside. The tower consists of five high specification apartments over 10 levels with each unit featuring individually designed fitted kitchens, a range of high quality appliances and white Ideal Standard sanitaryware. The apartments, four of which are split level, range in size from 58m² (632ft²) to 137m² (1485ft²) and enjoy allocated parking and a landscaped external area with bin and cycle stores. They are priced from £160,000 for a one-bedroom to £290,000 for the two-bedroom penthouse.

For further information on The Water Tower, please contact Connells on 01256 464566 or visit www.thomashomes.co.uk.

Ends

Notes to editors

Thomas Homes is one of the largest privately owned property developers in the south of England. Current developments include Kingsbury Mews in Marlborough, Heritage Plaza in Swindon and the redevelopment of the Fair Mile Hospital near Cholsey in partnership with the HCA.
